Is a compound of the virtues of sausa-parilla, stillingia, mandrake, yellow dock, with the iodide of petash and iron,

all powerful blood-making, blood-cleans

ing, and life-sustaining elements. It is the purest, salest, and most effectual alterative available to the public. The

alterative available to the public. The sciences of medicine and chemistry have never produced a remedy so potent to cure all diseases resulting from impure blood. It cures Scrofula and all scrofulous diseases, Erysipelas, Rose, or St. Anthony's Fire, Pimples and Face-grubs, Pustules, Blotches, Boils, Tumors, Tetter, Humors, Salt Rheum, Scald-head, Ring-worm, Ulcers, Sores, Rheumatism, Mercurial Disease, Neuralgia, Female Weaknesses and Irregularities, Jaundice, Affections of the Liver, Dyspepsia, Emaciation, and General Debility.

By its searching and cleansing qualities it purges out the foul corruptions

which contaminate the blood and cause derangement and decay. It stimulates the vital functions, restores and preserves health, and infuses new life and vigor throughout the whole system. No sufferer from any disease of the blood need despair who will give ALER'S SARSAPARILLA a fair trial.

It is folly to experiment with the nu-
